
[Amami-K] Loli Douga 4 11 VERIFIED

loli douga is a series of four individual flash games, all of which are available online for free, and all of which revolve around either a loli (think of them as japanese hentai) or a lolicore being kidnapped, and in all four games, the player can choose either to be the lolicore's captor or the loli. all four games have the same basic premise, but they all have different types of lolicores, different kinds of kidnappings, and different kinds of players, as well as a different feel to them. once a button is pressed, a certain amount of time passes. if the button isn't pressed again before the time runs out, the player loses one loli and gains one lolicore. if the button is pressed again, the player gets to see the loli being forced into sexual acts with her captor. the first game is fairly easy, though. once the tall man puts on a condom, you can choose to either wait for him to ejaculate, or to ejaculate yourself, at which point, you get to see the loli being forced to masturbate the man. if you ejaculate with him, you get to see the loli being forced to perform oral sex on him. if you ejaculate yourself, you get to see the loli being forced to have sex with you, which is actually pretty awesome. if you hold down the mouse button, the loli will eventually get tired of being abused, and it'll give you a chance to either save the loli, or fuck the loli. if you save the loli, the game will continue, but the loli will be in such a state that she can't perform any sex acts. instead, you get to use the condom on yourself, and when you ejaculate, you get to see the loli being forced to masturbate you. if you fuck the loli, the game will continue, but the loli will be so weak that she'll get raped. i recommend not choosing to fuck the loli in this game, since it's actually pretty easy to avoid getting raped. in the end, you get to see the loli being forced to perform oral sex on you.
