Brainstorming. Inclusion 74. Sketching 76. Presenting ideas 80.

Introduction 6. How to get the most out of this book 8. Design thinking. media modeling, such as sketching and prototyping. Acute problems. In this chapter, you will learn four practical brainstorming techniques: Team Brainstorming, Group Brainstorming, Group Brainstorming with a Consultant, and Group Brainstorming as a Listener. Each of these methods allows you to achieve specific goals, and therefore, to apply some methods before you move on to others. As we said, team brainstorming helps team members “attune” their ideas to each other and to the situation.
