July 3, 2017 - Mods for Euro Truck Simulator 2 cover everything from trailer skins to brand new truck models, weather changes and even extensions. Some of them also have new animations and sounds, including engine sounds, which can be customized using the sound editor. Now you can buy and install skins, which you can find in the skins section for Euro Truck Simulator 2 on the Euro Truck Simulator 2 Store. Below is a list of the most popular skins that have been downloaded and purchased over a million times! For more information, visit the Euro Truck Simulator 2 Official Website. 1.
