

VERSUS SQUAD

"**Chuck Versus the Cat Squad**" is the fifteenth episode of the fourth season of *Chuck*. It originally aired on February 14, 2011. As a surprise, Chuck Bartowski reunites Sarah Walker with her old spy team, the eponymous "C.A.T. Squad", which includes Carina Miller (Mini Anden). The squad flies to Rio de Janeiro to face off against their nemesis Augusto Gaez (Lou Diamond Phillips), but old grudges start to get in the way of the mission. Elsewhere, Morgan Grimes' relationship with Alex McHugh (Mekenna Melvin) is threatened by Carina's return. The episode begins with a *Charlie's Angels*-style voice-over which reveals that in 2003 the CIA had a Clandestine Attack Team (abbreviated to "C.A.T. Squad") which included Carina Miller (Mini Anden), Zondra (Mercedes Masohn), Amy (Mircea Monroe), and Sarah Walker. The squad, Sarah later reveals, was disbanded after she found a hidden transmitter in the heel of Zondra's boot and accused her of being a traitor. The sequence is then revealed to be in Morgan Grimes' imagination, as he listens to Chuck Bartowski describe the squad. After discussing Sarah's estranged family in the previous episode, Chuck decides to surprise her by inviting the C.A.T. Squad to their engagement party. Morgan helps Chuck invite Carina, who contacts Amy and Zondra. Chuck tells Sarah, and she starts panicking, saying that she was a different person. Suddenly, the C.A.T. Squad arrives by helicopter and takes Sarah out to party. When Chuck wakes up the next morning, he finds Sarah sleeping in a dress after attending several parties across the country. She reveals that the rest of the squad is sleeping in the apartment because they could not find a hotel. Before they awake, Sarah expresses her concern that they cannot trust each other after her accusations of Zondra. As the team leaves, Sarah's car explodes and injures Carina. Chuck flashes on a piece of the bomb in Carina's leg, discovering that Augusto Gaez (Lou Diamond Phillips) was responsible for the bombing. At Castle, General Beckman reveals that Gaez, the squad's nemesis, is a terrorist-for-hire in an organization called the "Gentle Hand". The CIA orders the C.A.T. Squad to extradite Gaez so that he may be tried. Sarah worries that Zondra is working with Gaez, as she had earlier suspected. Meanwhile, Gaez is informed that the squad is coming and reveals that it was all part of a plan. Sarah reunites with the C.A.T. Squad and infiltrates Gaez's celebration in Rio de Janeiro, Brazil. Chuck and John Casey provide backup, while Carina and Morgan monitor the mission from Castle. As Chuck waits in the van, he reviews CIA files to flash on any intelligence to prove Zondra's innocence or treachery. The squad successfully infiltrates the party, but Gaez's men surround them and tie them up. After Sarah declines Gaez's offer for the squad to join the Gentle Hand, he brandishes a gun and prepares to kill her. Sarah cuts through her binds with a hidden knife and holds Gaez at knifepoint. Sarah demands to know who the double agent is, but Chuck falls through the window before Gaez can answer. Although Chuck tranquilizes several guards and Gaez is taken into custody, Sarah expresses her anger that she does not know the identity of the traitor. With Zondra and Sarah suspecting each other of treachery, they begin a sparring match to settle their differences. Meanwhile, Casey and Amy interrogate Gaez, who denies all involvement with the Gentle Hand. After Zondra and Sarah convince each other of their innocence, they determine that Amy is the real double agent. Amy incapacitates Casey and attacks Zondra and Sarah with a bō staff. Amy releases Gaez and they knock Morgan and Carina unconscious. As Chuck arrives at the Buy More with the squad's luggage, Zondra and Sarah wake up and inform him that Gaez and Amy are coming up the elevator. With the Buy More locked down, Chuck crushes several CDs and flashes to use them as throwing stars. He manages to incapacitate Gaez, but Amy jumps on Chuck's back and wrestles him to the ground. When Amy tries to escape, Sarah, Zondra, and Carina stop her and take her into custody. Sarah and Zondra apologize and mend their friendship. Sarah asks Zondra and Carina to be her bridesmaids, and they accept. Later, Ellie Bartowski hosts Chuck and Sarah's engagement party. Sarah thanks her and they discuss Sarah's strained relationship with her family. They agree to talk about it and inform Chuck later. Sarah then asks Ellie to be her maid of honor, which Ellie eagerly accepts. The episode closes with a voice-over saying, "Aw, who says cats can't play nice? You never know, maybe we'll add another member to this squad," in reference to Ellie. Chuck watches from a distance and slowly smiles; the screen fades to black. The episode begins with Morgan's fantasies about the Clandestine Attack Team Squad, better known as the CAT Squad. The squad consisted of Zondra, Amy, Carina, and Sarah. Chuck has obtained their details from a CIA database to piece together pieces of Sarah's past and invites them to the engagement party. The CAT Squad later picks up Sarah in a helicopter and head off to her bachelorette party. Sarah quickly ushers Chuck out of Castle, then she and Zondra clash and she challenges Sarah to a sparring match to settle their differences. After Zondra and Sarah talk while fighting and convince each other of their innocence, they determine that Amy is the real double agent. Meanwhile, Casey and Amy interrogate Gaez, who denies all involvement with the Gentle Hand. Amy then incapacitates Casey and attacks Zondra and Sarah with a bō staff after failing to convince the latter to join her. As Chuck arrives at the Buy More with the squad's luggage, Zondra and Sarah come to and inform him via cell phone that Gaez and Amy are coming up the elevator. With the Buy More locked down, Chuck crushes several CDs and flashes to use them as throwing stars. He manages to incapacitate Gaez, but Amy jumps on Chuck's back and wrestles him to the ground since he's not comfortable hitting women. When Amy tries to escape, Sarah, Zondra, and Carina stop her and take her into custody. After Morgan cancels his dates with Alex, she breaks up with him. He refuses to give up with Alex and at the engagement party, tells her that he loves her. Sarah, who has been keeping her distance from Chuck, apologizes to him and thanks him for all the work he's doing to help her reconnect. She confides in Ellie, agreeing to talk about her family issues and asks her to be her maid of honor. The episode closes with a voice-over in an homage to Charlie of *Charlie's Angels* saying, "Aw, who says cats can't play nice? You never know, maybe we'll add another member to this squad," in reference to Ellie. Chuck watches from a distance and smiles as his sister and fiancée connect.

i hope the coach is aware that he is preparing his squad for world cup2014 and so he should start narrowing down his selections. He should learn from dunga who used the whole time he has to scan but at the end he could not deliver. The present coach can not afford to loose the world cup2014 the brazilians will not forgive him. He should remember 1958 world cup final, how many life was lost when brazil lost.A word is enough for the wise I hope this is the last time Mano changes the squad. I would rather prefer he sticks with the squad that beat Ghana,then just add Kaká to that squad,and then Brazil will be sorted. But its probably because the other overseas-based players are playing in the UEFA champions league. For the visit of the Bavarian side, coach **Xavi Hernández** has named the following **21 man squad**: Ter Stegen, Bellerín, Piqué, Sergio, O. Dembélé, Pedri, Lewandowski, Ansu Fati, Ferran, Marcos A., Jordi Alba, Kessie, F. De Jong, Raphinha, Kounde, Eric, Iñaki Peña, Balde, Gavi, Pablo Torre and Arnau Tenas. On Tuesday the squad worked out for the final time ahead of the visit of Bayern Munich in the Champions League. All the available first team players took part as well as the U19s Joan Anaya, Toni Caravaca and Gerard Hernández. Nicole only put up Paul as a pawn and when she won the power of veto she left nominations the same so she wouldn't draw any suspicion

from The Croc Squad but it is Michelle that's the real target. With the house split completely down the middle (James and Natalie's votes versus Corey and Victor's votes) it'll come down to Nicole to break the tie. As Michelle has been targeting Nicole for weeks now there's no doubt Nicole will send Michelle packing.
