

Vaio Care Premium Tools 19

How to Boost Your VAIO Performance with VAIO Care Premium Tools 19

If you own a VAIO computer, you may have heard of VAIO Care, a software application that helps you maintain, diagnose and troubleshoot your device. But did you know that there is also a set of utilities called VAIO Care Premium Tools 19 that can enhance your VAIO performance even more? VAIO Care Premium Tools 19 is a package of three tools that can be purchased and activated through the VAIO Care application. These tools are:

- **Program Accelerator:** This tool realigns related files on your hard drive, resulting in faster startup and responsiveness for your favorite programs.
- **Memory Mechanic:** This tool reclaims lost memory and frees up valuable resources, allowing your computer to run at its best for longer.
- **NetBooster:** This tool optimizes your connection settings so you can enjoy maximum-speed web browsing, email, downloads, and gaming.

A one year subscription for VAIO Care Premium Tools 19 currently costs \$9.95 USD. To purchase and activate the tools, you need to have VAIO Care version 7.3 or higher and an active Internet connection. You can follow these steps:

1. Open the VAIO Care utility.
2. In the VAIO Care window, click Advanced Tools.
3. In the Advanced Tools screen, click Premium Tools.
4. In the VAIO Care Premium Tools window, click the Get it Now button.
5. Follow the on-screen instructions to complete the purchase process.
6. Once the purchase process has been completed, you will receive a payment receipt from www.iolo.com and a Premium Tools - 1 year service activation code via email.
7. Enter the activation code in the VAIO Care Premium Tools window and click the Activate button.

To use the VAIO Care Premium Tools 19, you can follow these steps:

1. Open the VAIO Care utility.
2. In the VAIO Care window, click Advanced Tools.
3. In the Advanced Tools screen, click Premium Tools.
4. In the VAIO Care Premium Tools window, click to launch the desired tool: Program Accelerator, Memory Mechanic, or NetBooster.

With VAIO Care Premium Tools 19, you can enjoy a smoother and faster performance for your VAIO computer. Try it today and see the difference! If you have any questions or issues with the VAIO Care Premium Tools 19, you can contact the support team of IOLO Technologies, the company that provides the tools.
