## Block Puzzle 2021: A Fun and Rewarding Game for Android Users

Do you love playing puzzle games on your smartphone? Do you want to earn some extra cash while having fun? If you answered yes to both questions, then you should check out Block Puzzle 2021, a free and addictive game that lets you clear blocks, make jewel blasts, and win real money. In this article, we will tell you everything you need to know about this amazing game, including how to play, how to earn money, and how to download and install it on your Android device.

### What is Block Puzzle 2021?

Block Puzzle 2021 is a simple yet challenging game that tests your logic and spatial skills. The game is developed by Mantour Studio, a company that specializes in creating casual and puzzle games for mobile platforms. The game has over 10 million downloads on Google Play and a rating of 4.5 out of 5 stars.

### How to play Block Puzzle 2021

The gameplay of Block Puzzle 2021 is easy to learn but hard to master. The game consists of a

grid of empty spaces and a set of colorful blocks that you can drag and drop on the grid. The blocks come in different shapes and sizes, and they cannot be rotated. Your goal is to fill the horizontal or vertical lines with blocks and clear them from the grid. Every time you clear a line, you will make a jewel blast and earn points. The game ends when there is no more space for new blocks on the grid.

## **Features of Block Puzzle 2021**

Block Puzzle 2021 has many features that make it more fun and exciting than other puzzle games. Some of these features are:

- A new mode called Win gift, where you can play for real money and win gift cards from popular brands like Amazon, Google Play, Starbucks, etc.
- Various boosters that can help you clear more lines and score higher, such as bombs, hammers, magnets, etc.
- Different themes and backgrounds that you can choose from to customize your game experience.
- No time limit or move limit, so you can play at your own pace and strategy.
- No internet connection required, so you can play offline anytime and anywhere.
- No ads or pop-ups, so you can enjoy the game without interruptions.

## **How to earn money with Block Puzzle 2021?**

One of the most attractive features of Block Puzzle 2021 is that it allows you to earn real money while playing. There are several ways to do this:

### **Win gift mode**

In this mode, you can play for cash prizes that range from \$0.01 to \$100. You need to pay a small entry fee to join a match, and then compete with other players to clear as many lines as possible in a limited time. The top three players will win the cash prizes, which will be sent to their PayPal accounts within 24 hours. You can also win gift cards from various brands by playing in this mode.

### **Boosters and rewards**

You can also earn money by using boosters and collecting rewards in the game. Boosters are special items that can help you clear more lines and score higher. You can get boosters by watching videos, completing tasks, or buying them with coins. Coins are the in-game currency that you can earn by playing or watching videos. Rewards are bonuses that you can get by reaching certain milestones or achievements in the game. For example, you can get a \$1 reward by clearing 1000 lines in total, or a \$5 reward by clearing 5000 lines in a single match.

## **Withdrawal options**

Once you have earned enough money in the game, you can withdraw it to your PayPal account or exchange it for gift cards. The minimum withdrawal amount is \$10, and the maximum is \$100 per day. You need to verify your identity and email address before you can withdraw your money. The withdrawal process usually takes 24 to 48 hours to complete.

## **How to download and install Block Puzzle 2021?**

If you are interested in playing Block Puzzle 2021 and earning money with it, you need to download and install the game on your Android device. Here are the steps to do that:

### **Requirements and compatibility**

Block Puzzle 2021 is compatible with Android devices that have Android 4.4 or higher versions. The game size is about 40 MB, so you need to have enough storage space on your device. You also need to have a stable internet connection to play the Win gift mode and withdraw your money.

### **Steps to download and install Block Puzzle 2021 apk**

The game is not available on Google Play, so you need to download the apk file from a trusted source. You can use this link to download the latest version of Block Puzzle 2021 apk. After downloading the file, you need to follow these steps:

1. Go to your device settings and enable the option to install apps from unknown sources.
2. Locate the downloaded apk file on your device and tap on it.
3. Follow the instructions on the screen to install the game.
4. Launch the game and enjoy playing.

### **Tips to avoid malware and scams**

While downloading and installing Block Puzzle 2021 apk, you need to be careful of malware and scams that may harm your device or steal your personal information. Here are some tips to avoid them:

- Only download the apk file from a trusted source, such as the official website of the game or a reputable apk site.
- Do not click on any suspicious links or pop-ups that may appear while downloading or installing the game.
- Do not provide any sensitive information, such as your bank account details, passwords, or social security numbers, to anyone claiming to be from the game or offering you free money.
- Do not install any other apps or programs that may be bundled with the game without your consent.
- Scan your device regularly with an antivirus software to detect and remove any malware.

# Conclusion

Block Puzzle 2021 is a fun and rewarding game that you can play on your Android device. It is a simple yet challenging puzzle game that lets you clear blocks, make jewel blasts, and win real money. You can play for cash prizes in the Win gift mode, use boosters and rewards to increase your earnings, and withdraw your money to your PayPal account or exchange it for gift cards.
