Adithyan always ends up losing to Vikram, who is more hard-working and disciplined. Adithyan's life is shattered when he learns that his father was a thief who committed suicide after being caught by Shenoy. He becomes rebellious and lazy and does petty illegal activities to earn money.

Shenoy, who hates Adithyan, tries to ruin his chances of passing the test. He traps him in a narcotics case and hides his interview memo. However, Vikram secretly helps Adithyan out of respect for his intelligence and potential. He swaps the evidence in the narcotics case with lactose powder and sends him his interview memo. Adithyan is grateful to Vikram and realizes that he is not his enemy but his friend.
